

Permission to Use Student Work

- 1. Grant of Permission.** I, the undersigned, am a current student from IUPUI, and hereby give to _____ (faculty member) my permission to use my course materials completed while taking this class: _____
- 2. Scope of Permission.** This permission extends to the use of the Work (concepts, reports, illustrations, project examples, etc.) for educational and/or academic purposes only. These purposes specifically included: (1) to show future student examples of the Work in the originally fix paper or digital medium or as digitally scanned images for use in a PowerPoint presentation (2) to provide samples to future students via the course Web site, or (3) to use as examples in published Works that discuss pedagogical issues related to teaching/pedagogical issues or student learning.
- 3. Certification of Authorship.** I am the owner of the copyright to the Work, and the Work is not now subject to any grant or restriction that would prevent its use consistent with this permission. Except as explicitly indicated on the Work, all aspects of the Work are original to me and have not been copied.
- 4. Privacy Release.** I hereby authorize and consent to the release, maintenance and display of my name if necessary, and any other personal information I have provided in connection with the Work and its use. This authorization also includes the disclosure of the content of the Work itself and any associated information. I hereby release The Trustees of Indiana University, its member trustees, officers, employees and agents, and any other person who may be legally liable, from any and all claims, demands, causes of action, and suits, including but not limited to claims for invasion of privacy, defamation, breach of contract or other breach of duty (including, e.g., the Family Educational Rights and Privacy Act, the Indiana Rights of Publicity Act, the Indiana Access to Public Records Act, etc.), arising out of or in connection with the maintenance, use or release of any personal information as described above.
